SUPPLEMENTARY INFORMATION:

Background: CECANF was established to develop a national strategy and recommendations for reducing fatalities resulting from child abuse and neglect.

Agenda: The purpose of the meeting being held on December 4, 2014 is for Commission members to meet with national and international researchers to obtain: (1) a more in-depth understanding of the use of predictive analytics for identifying children at an increased risk for fatalities and near fatalities, (2) a research perspective on how current national data collection systems could be enhanced to better inform practice and policy, and (3) information about additional research that could lead to a better understanding of the issue of child abuse and neglect fatalities. The agenda for the meeting can be found on the CECANF website at
